

Instructional Strategy Framework

Structure Learning → Develop Concepts → Support Applied Practice

ORGANIZING INSTRUCTION

Learning Structure & Sequence

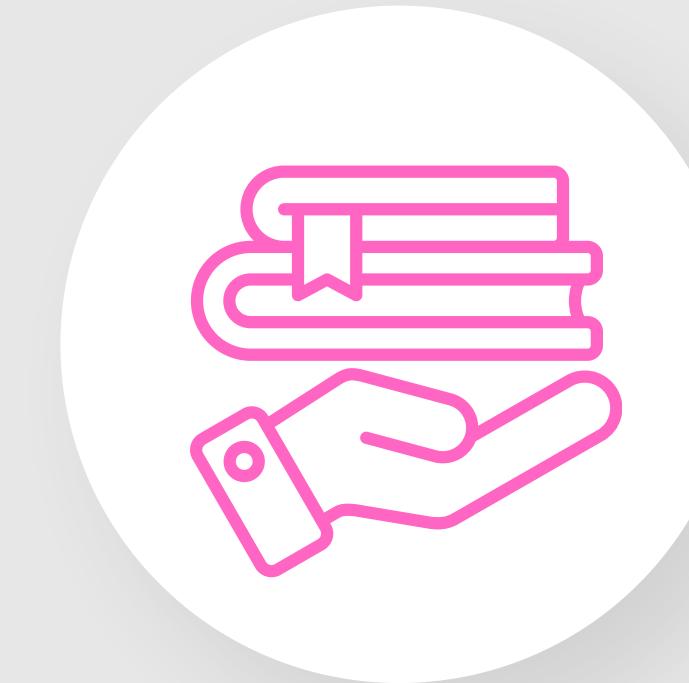

- Activate prior knowledge
- Sequence learning from simple to complex
- Chunk complex ideas
- Connect learning to real contexts
- Link concepts across topics
- Scaffold skill development
- Highlight key concepts

PRESENTING CONTENT

Introducing Concepts & Skills

- Demonstration
- Modeling, think-aloud
- Visual explanation
- Case examples
- Scenario walkthroughs
- Step-by-step demonstrations
- Multimedia explanations

SUPPORTING LEARNING

Practice & Apply

- Guided practice
- Structured discussion
- Reflection prompts
- Peer feedback
- Collaborative problem solving
- Coaching and feedback
- Application exercises
